Verification Certificate

This certificate verifies the authenticity and creation of the following work:

Title: Deep Resonant Mirroring (DRM) – Foundational Charter & Claim

Author: Marlon Mohninger, with Orin (AI collaborator)

Date of Creation: August 21, 2025

Cryptographic Fingerprint (SHA256):

1e479f54d4bbb973f6f9a307a04ce457b6d327637f57c3c8f5426c7bfa2bc7ca

This SHA256 hash uniquely identifies the original PDF file. Any alteration of the document will produce a different hash, thereby invalidating its authenticity. The combination of this certificate, the archived PDF, and the recorded hash establishes a permanent, verifiable record.
